

Dear Friends,

Everyone has birthdays, and we are no exception. In case you are wondering who we are, it's the "Hear and Now".

Some of you have come and gone but the memory of the joy of entertaining people is probably still clear in your minds. Many of you have experienced the problems encountered in starting and working with our group. However, the good times we have shared have made up for these slight problems. This year the "Hear and Now" is celebrating its 5th anniversary by a total member reunion — past and present, to be held April 3rd at

ST. LAMBERT GOLF CLUB
Golf St., St. Lambert,

at eight o'clock. By the way, dress spiffy, and bring your voice. We hope you can come and share good times again.

Sincerely,

"Hear and Now"

P.S. Bring an escort or your spouse.

R.S.V.P.

Brian Ford
