THE LORD'S PRAYER - a free version

O God, our Father,  
Make a name for yourself among men.  
May everyone acknowledge and obey you.  
May your purpose be achieved on earth as in heaven.  
Give us today the food we need;  
And forgive us the wrong we have done as we have already forgiven those  
who have wronged us.  
Don't bring us to breaking-point,  
But lead us out of harm's way.  
For you are the one who can do all this;  
Nothing will ever overpower you;  
The highest honour is yours always.

FREED TO SING - hear and now!  
- a Solo - "It's a Long Road to Freedom"

\*SONG OF FREEDOM

In Christ there is no East or West, Join hands, then, bco. hers of the faith,  
In Him no South or North, Whate'er your race may be -  
But one great fellowship of love Who serves my Father as a son  
Throughout the whole round earth Is surely kin to me.

In Him shall true hearts everywhere In Christ now meet both East and West,  
Their true communion find. In Him meet South and North,  
His service is the golden cord All Christly souls are one in Him  
Close-binding all mankind. Throughout the whole wide earth.
