"Gerry" bounced into St. Lambert on May 15, 1946, and will therefore be 27 this month. She has lived most of her life in St. Lambert and attended Holy Angels Academy and St. Lambert Convent. This does not necessarily mean that Gerry has followed the path of righteousness all of her days. This "Gladys" reporter happens to know of at least one trip down the "garden" path!

Gerry claims to have had a very dull life - her tendency not to get too close to people could stem from the fact that at a very early age, while seated on her mother's knee (can you hear the violins?) ----- her baby brother bawled all over her. Quite a messy business I'd say!!!!!!

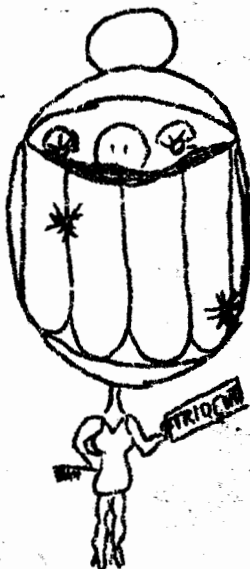

After leaving the convent Gerry attended Sir George Business school and then was trained as a dental assistant. She ~~has~~ has since lectured for dental students and worked at ~~the~~ Children's hospital Dental Clinic.

Gerry is planning to get married on August 25 at St. Francis of Assisi Church. Her fiance Bob Boisjoly is presently attending university and has two more years to go. We wish him the best of luck with his career.

Gerry ~~is enjoying~~ enjoys the group tremendously and although marriage is for her we know she will miss St. Lambert and all her ~~friends~~ friends in the group. Gerry's advice to group members is to ~~talk~~ speak right up if you have something to say. She feels there are a great many members who have good ideas and a lot to say but keep quiet because they are afraid to speak up, or feel that it won't get them anywhere. In her opinion this causes a lot of hassles that could be easily worked out. She also feels the group needs more organization in their big projects.

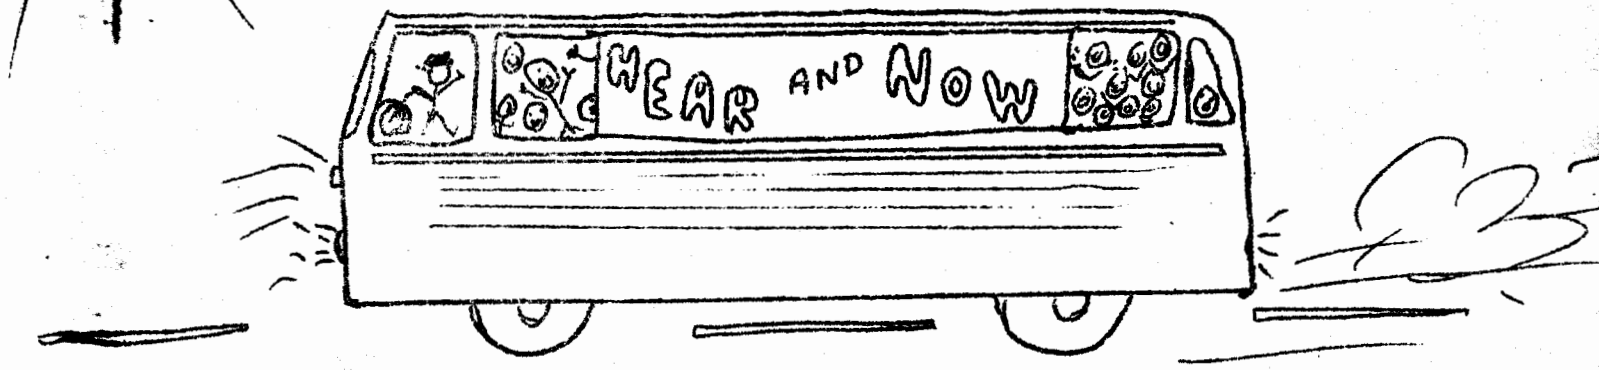

Of all of her memories of the group one of her fondest is crying in the freezer over "all that food".

Gladys speaks for ~~her~~ her staff and all the group when she wishes Gerry the very best in the future and issues Bob and Gerry an open invitation to return when ever they can.

MUCH HAPPINESS, GERRIE!
