EXECUTIVE

Welcome Executive of 1973-74:

Tom Billard	-	Chairman	
Dave Weymann	-	Vice Chairman	
Wendy Gilbert	-	Treasurer	
Karen Christie	-	Executive Liason to	Communications
Ray Aloi	-	"	" Personnel
Phil Lang	-	"	" Equipment
Al Blackstock	-	"	" Music Committee
Andrea Smith	-	Secretary	

and thank-you to our "Past Executive of 1972-73" for their time, effort and work involved in maintaining the group during the first year of organization.

No one can really appreciate the unpaid hours, the useful and sometimes useless efforts, the on-the-spot decisions, the unnecessary problems and the long meetings encountered by an executive; nor the laughs, the arguments, the headaches, the mistakes and the rewards experienced, unless one has "served time" on an Executive.

There are always in any new executive, high hopes of running a smooth, agreeable, ~~non~~problem-free organization. There will always be disagreements and problems; how to please everyone without making the wrong decision is the job of an Executive.

Perhaps we can look at this "Past Executive" as the "foundation" of a building: the first strong step needed before other floors can follow.

Let's hope the "first floor" is just as strong!

DLP.
