Over the years the Lions Club of St. Lambert has been identified with numerous activities contributing to the civic, social and moral welfare of the community.

At a recent meeting of the Board of Directors, unanimous approval was given to yet another project, the active sponsorship of the talented group of young musicians from St. Lambert and the surrounding communities, known as the "Hear and Now". This group has already made a considerable impact on our community, having appeared locally on a number of occasions. Our plan is to give greater exposure to this versatile group. In the first instance they will perform at the forthcoming Wine and Cheese party to be held in the Lions Hall, 250 St. Lawrence Ave., St. Lambert on Friday Evening, April 27, 1973.

The Lions District Convention is being held this year in Cornwall, Ont. and plans are well under way to transport the entire group, "Hear and Now" to the Convention for two days the latter part of May where they will perform on the program of entertainment now being drawn up by the District Convention Committee.

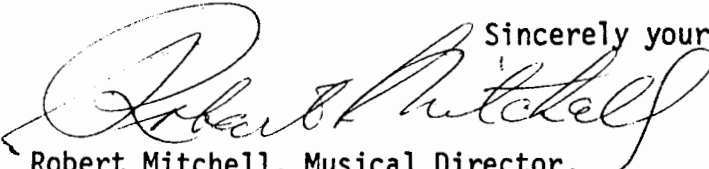

A mammoth parade is one of the highlights of the District Convention. "Hear and Now" will be featured in the parade on a giant float and will perform along the parade route.

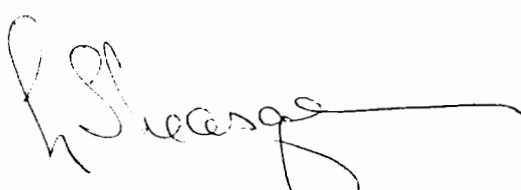

An attractive brochure featuring the group and other pertinent information of interest to all is in the process of preparation. It is the intention to make wide distribution of the brochure in the community and also hand them out at the Convention as publicity, not only for the "Hear and Now", but our own community as well. The Lions District Convention takes in all lions clubs in the Provinces of Quebec and Ontario.

Additional funds will be required to bring present plans to fruition and we are asking for your cooperation in this regard by having your firm subscribe for space in the brochure. Rates and relative information are enclosed herewith.

A member of the "Hear and Now" or a member of the Lions Club will be calling on you shortly and we sincerely trust it will be possible for you to lend your support to this worthy community project.

Sincerely yours

Robert Mitchell, Musical Director,
on behalf of "Hear and Now".

Larry Sheasgreen, Jr. Chairman,
on behalf of the Lions Club of St. Lambert.
