Our Lay Reader today is Mr. J. Pallett.

During this Lenten season your Stewardship Committee is making a special appeal to assist in the work of the 1972 World Development and Relief Campaign.

A total of \$500,000 is needed for projects in underdeveloped countries throughout the world. For instance, one project will assist 2000 landless Phillipino families through a community development program. Another will provide education, vocational training and re-settlement for needy persons in North Africa. And there are many other projects of this nature planned and underway. The theme of our appeal is "Development is -- Seeking Justice, Creating Change, Discovering Education, Sharing Relief. We will be telling you more about this program in the next few weeks, and will then seek your help in carrying out this meaningful work.

The sympathy of the Congregation is extended to the families of Mrs. A. J. Wilson and Miss A. G. Beatty who passed away during the past week.
