**\*Introit:** Christ's example, Christ's inspiring, Christ's clear call to work and worth, let us follow, never faltering, reconciling folk on earth. Men and women, richer, poorer, all God's people, young and old, blending human skills together, gracious gifts from God unfold.

#### The Preparation

##### Call to worship

Leader: Come let us worship the Creator with hearts open to all peoples, where pride and prejudice once dwelt;

**People:** Let us worship the Creator with minds open to the wisdom of Native peoples, where listening and respect once had no place.

Leader: Let us honour the One who freely gives by showing honour to those who were once and still remain oppressed.

**People:** Let us worship the God of diversity, who made the world in colours, in seasons, in endless variety; who created the diversity of the earth's peoples in His image.

**All:** We were created to honor one another and in doing so we honour the Creator. Let us honour Him today by reflecting in our worship and in life His image – love.
